#### Large Baton Rouge Group and Many Organizations Assisting Old Santa Here.

Packages of loving cheer for the needy, being busily wrapped at Good Fellows headquarters, defy the gloomy weather in the hearts of that group of Baton Rougeans who are helping to bring Santa Claus to many homes in this vicinity.

ity which would otherwise be missed. Thus for 65 packages, each to be delivered Christmas eve to a child in a needy home, have been completed, and letters of request for a large number of others have been received asking for a visit from Old Santa.

Investigation is proceeding as rapidly as possible, despite the unfavorable weather, and it is estimated by the workers that letters asking the Good Fellows to play Santa Claus must be signed by an adult. This will save the investigating committee from answering unnecessary calls, it is stated.

Purchasing is proceeding as rapidly as the funds will permit, and wrapping will be resumed this morning at headquarters, 341 Main street. Arrangement has been made by Chief King Stronko of the police department to have the headquarters patrolled at night, and in the daytime parking space for the workers is provided near the front entrance. Sam Brocato of the motorcycle squad is on duty there.

Chief R. A. Bogan and his men of the city fire department have brought in another lot of reconditioned toys, which will enable the Good Fellows to delight many more children.

Donations received at headquarters Thursday morning included the following: Mrs. A. Junot, two large dolls and doll clothes; Evangelical chapter of Dolphians the additional doll; Mrs. A. A. Wren, one large doll; Mrs. F. A.

### Robins, one large doll; Circle No. 5, First Baptist church, one doll; Circle No. 7, First Baptist church, seven dolls; Mrs. J. A. Christian, one doll.

Tables for use at headquarters have been loaned by Rosenfield's and by Kornmeyer's.

Among those active in Good Fellows work Wednesday were the following: Misses L. U. Babin, H. B. Witter, John Munding, W. P. Craddock, G. H. Simon, B. A. Cross, J. A. Tucker, F. H. Gaudot, Sidney Fairchild, R. L. Carr, M. B. Saches, C. Ratcliff, A. J. Stevens, L. B. Seldensplinner, Laz Blum, J. N. Ogden, John McConnell, Edgar Levy, Laurence Mann, Sidney Wax, O. J. Cobb, John Wells, C. C. Dunbar, C. C. Mitchever, L. B. Eastland, Preston Barnes, Jr., Joe Ramirez, Payne Brazzale, W. H. Bynum, Robert Bogan, J. M. Caldwell, W. D. Woodard, G. C. Shirley, Marion B. ### Many Citizens to Attend Banquet to Football Players

#### Elaborate Formations Planned by Cadet Band in Honor of Contest Here Saturday.

When the teams and coaching staffs of the University of Oregon and Louisiana State university meet over the banquet table Saturday night at the University cafeteria following the afternoon game, there will be a large representation of Baton Rouge citizens present to help wish them well. The affair is being sponsored by the L. S. U. Athletic association and will be participated in by men and women of the city as well as campus groups.

Tickets for the dinner are available at the local banks and at the downtown department stores, also at the Chamber of Commerce office, and it is emphasized that reservations must be made before 6 o'clock Friday evening.

The Chamber of Commerce is co-operating in the plans for welcoming the Oregon visitors and in encouraging a large attendance at the game.

What are characterized as the most elaborate formations of the year for the cadet band of the Louisiana State university are being planned for the Oregon-L. S. U. game Saturday, it is announced by A. W. Wickboldt, director of the cadet musicians.

For the appearance of the cadet group before the Oregon followers, a stationary "U" with a revolving "O" will be formed and the band will play "Mighty Oregon."

Something new in cadet formations, for the L. S. U. musicians at least, will then follow. Instead of going back into regular formation before appearing before the L. S. U. side of the stadium, the group will go immediately into formation spelling "BIFP" as a courtesy to Capt. L. M. "Biff" Jones, head football coach. Holding this position they will play "Tiger Rag," most popular of the band selections, and Drum Major Lew Williams will stage a one-man drum-major "parade" from the north end of the field to the south. As the drum major takes his stand at the south, the band, still keeping the "BIF" formation will march to the south of the field and, playing "Tiger Swing" will leave the field in single file.

Director Wickboldt, who instituted the special formations for the band at football intermissions, has won wide renown for the care with which he works out the formations and has won applause for himself, the university, and the band members in their excellent execution.

His papers were especially emphatic in their praises of Mr. Wickboldt and the band following their appearance in Houston for the L. S. U.-Rice game.

He states that this is the most elaborate he has yet planned and one which he hopes will add greatly to the interest and effectiveness of the intermission program.

### One Sure Way to End Coughs and Colds

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action: it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu.

Creomulsion, if any cough or cold matter how long standing, is not relieved after taking according to directions. Ask your druggist. adv.
